Jeanine –

Please find attached EPA's "draft" response to Congresswoman Nancy Pelosi regarding Hunters Point. As we understand, the Navy is planning to finalize and send their response on Monday, June 18, 2018, and we will work towards finalizing our response for the same date. Please let us know if you have any comments or suggested revisions to EPA's draft response.

**In addition, we would appreciate seeing the Navy's draft response so we can review for consistency of message so please share a copy with me and my EPA colleagues copied on this message.** Should you feel a need for a call to discuss our draft responses, please let me know and we can work to arrange that.

Please give me a call if you have any questions or need any additional information.

Regards,

*Brent Maier*
